ARIZONA MILITARY VEHICLE SHOW

Schedule of Events

The Arizona Military Vehicle Collectors Club is once again having our annual military vehicle show and swap meet on January 27-28, 2018. The location is the same as last year, in the east parking lot of Tempe Diablo Stadium.

Before the show: Make sure to send in your vendor registration form. Early bird prices go up after January 1, 2018. NOTE: To take advantage of the January 1st early discount deadline, payment must be received by January 1st. We will reach out to you to confirm we have received it and to take your request for which vendor space you would like. Please see show map for location of vendor spots. Vendor spaces will be assigned on a first come first serve basis.

Here is a schedule of events:
