

Schedule of Events

The Arizona Military Vehicle Collectors Club is once again having our annual military vehicle show and swap meet on January 26-27, 2019. The location is the same as last year, in the east parking lot of Tempe Diablo Stadium.

Before the show: Make sure to send in your vendor registration form. Early bird prices go up after January 1, 2019. NOTE: To take advantage of the January 1st early discount deadline, payment must be received by January 1st. We will reach out to you to confirm we have received it and to take your request for which vendor space you would like. Please see show map for location of vendor spots. Vendor spaces will be assigned on a first come first serve basis.

Here is a schedule of events:

Sunday, January 27th

9am-3pm - Show hours

Show ends at 3pm. Due to the safety concerns, we will not allow vehicle move out prior to this time. **NOTE: PLEASE DO NOT MOVE OUT PRIOR TO 3PM**, as we want to give paying guests the opportunity to purchase items from vendor booths and see vehicles. Please have all items removed by end of day on Sunday, as we will not have security Sunday night.
